The Principal,

Dear Ma,

### **REQUEST TO BE A GUEST SPEAKER IN YOUR SCHOOL**

I'm a John Maxwell certified Self Mastery and Peak Performance trainer and speaker from Abuja, Nigeria who travels around speaking on Self Mastery and Social-Emotional Mastery in secondary schools and universities across Nigeria.

I write to express my desire to speak with your senior secondary school student for free this semester as I am currently donating my time to ignite young minds to greatness.

When you invite me to speak:

- Your students get INSPIRED to know and love themselves as they are.
- Your students get MOTIVATED to never give up on themselves and aspire for a better future.
- Your students get EMPOWERED to overcome peer pressure and live their best lives unapologetically.
- Your students will be properly POSITIONED to attract the right mentors to their lives.

For more information about me, kindly visit [www.temiajibewa.com/about-me](http://www.temiajibewa.com/about-me)

Kindly let me know when it would be a good day for you to have me between 20th and 24th of April, 2020. I look forward to your reply.

Best regards,

Temi Ajibewa
